

Listing description & pricing

We offer two types of listings:

1.

Self-service plans (submit listing yourself and save \$9): Create a new listing (or assign your existing one) to any of the plans:

Register > Login > My Account > Add New Listing (or Activate/Renew if existing listing) > Choose one of the plans > Enter promo codes (if any) > Submit. Our listing plans start from \$20.

2.

Hand-held listing plans are designed so that we create the listing for you:

We can also transfer an existing listing from any other website. Order below and provide us a link, PDF, MS Word, or any other listing format and we will convert all data, create a new listing, and send you account info. This service includes a service charge of \$9. Please submit all listing materials here or email to: sales@goswap.org after payment.

Hand-held plans: Choose a plan below > Click add to cart > Pay through PayPal

We will create your new account, post a listing or update an existing one and email you details. NOTE: PayPal account is not necessary, click continue where it says: "Don't have a PayPal account?" after adding an item to cart.

Want More? Order Video Tour Pro

Tell your video story in a professional presentation with mac-like cool effects, slides, and titles.

How it works?

Upload to your listing or send us any media files about your property: images, PDFs, Word docs, music, etc.

Better yet, record and send us a video of you describing your property features, or send us your voice file and we will compile everything into a professional movie with audio and background music. Tell your story, describe your property features along with what you are looking to trade for. Be creative, take control, market your property for swap the new way! Cost \$250

Listing ID or email

Both video creation services includes distribution to our YouTube House Swapping channel and uploading to your GoSwap.org listing. All listings with video tours will later be featured on our Online Trade Video Channel for additional exposure.

Presentation is everything! In order to sell or exchange real estate you have to get people excited about your property, and the first step is to get as many people through your door as possible. Well, why not get them through the "virtual" door first--the internet, at least you wouldn't have to prep the house and bake the cookies.... Here's what's included in this handsome package:

You will be able to share the video everywhere else on the internet, or email. But don't take our word for it, see the example here:

<http://goswap.org/video-example>

Trading property advise - \$50

{snippet advise} A real estate investor and guru will make specific recommendations about trading your property. You may discuss a particular swap, possible ways to handle financing, or any other scenario pertaining to your particular situation based on information you provide. Please note, WE DO NOT PROVIDE LEGAL ADVISE and suggest lawyers in your area for that.
