Originally paid \$95k 3/4 acre lot in private luxury gated community 5 minutes from one of Costa Rica's finest beaches, Playa Esterillos. This is an outstanding community with paved roads, underground utilities, lamp lighted streets and 24/7 security. Only 10 minutes to Hermosa Beach, 15 minutes to Jaco Beach and 20 minutes to Los Suenos Marina. In the opposite direction, only 40 minutes to Costa Rica's most visited national park, Manuel Antonio. This location on the calm pacific ocean is the ideal place to build your dream home in Costa Rica. My lot for sale is a special one within the community as it's only 1 of 3 lots with a particularly amazing view of the rolling hills/country side behind the community. Large 3/4 acre with extraordinary mountain views with rolling hills to the North with amazing Jungle views to the south. Near 4 existing luxury homes in Phase II of the community. Many natural palms along with native flora and fauna throughout the property. This is a one-of-a-kind community like no other in Costa Rica comprised of luxury estate homes, 100% expat homeowners from North America, most of which retirees. If you're looking for a safe, secure, premium community offering amenities you've become accustomed to living in the states, look no further. Willing to trade for Homes, cars or cash within the USA. Any state.
