

400 metros del puente, Osa, Puntarenas, 60702, Dos Brazos de Rio Tigre, Costa Rica

Looking for an RV. A Class C preferred but will consider all that are no older than 10 years old. Anywhere in US.

I have a house in the Osa Peninsula of Costa Rica. It is steps away from the trail entrance to Corcovado National Park, which is the “crown jewel” of the Costa Rican park system. The house is on a 7567 square foot lot, with a 1066 square foot main house, a 218 square foot cabina, and a 13,500 gallon in-ground cement pool. Located in a tiny town of between 300-400 people and surrounded by jungle and wildlife. More details and photos here: <https://www.costaricaorganicfarmforsale.com/the-property>
