

Juan Hombron, Juan Hombron, PA - 2, Panama

I have down loaded the photos multiple times yet it is not showing! Please contact me for pictures. Also tell me what you have. Would like 4 x 4 RV, luxury car, anything interesting. I will always respond with an open mind.

Titled, oceanfront lot in Panama. Juan Hombron beach with expat neighbors. Close to any first world amenities you could ask for: new airports, doctors, dentists, shopping, malls, gambling, golf and high end retailers in Panama City. The lot is true oceanfront with a rural road leading to the area. This lot also comes complete with a corporation. Super quiet and very little noise or traffic. I have a realtor who can take you there and show it to you. Take your time and go look as I am in no rush. My attorney can conduct a closing. Panama is an easy country to navigate as they use the dollar, most people speak English and the roads are well paved.
