

Turrialba, Cartago, Turrialba Volcano, Costa Rica

Looking for a sailboat (min 50 feet) - it must be in "ready to sail" conditions. Looking to move my family into sailboat and making it out primary residence. We can pay difference (if your sailboat is amazing and worth more than my property) or upgrade sailboat if needed but not looking to gut or rebuild it. We live in the US and are willing to travel to "get " our sailboat.

I have a rustic cabin in the Mountains of the Turrialba Volcano. Amazing views to caribbean and Turrialba Valley and Turrialba Volcano. Cold temperatures. 30 min to Turrialba Valley (hot temperature). 3 hours to Caribbean beaches. Sits on aprox 3030m2 (more land available). Has goat pen and storage building. No 4x4 needed.
