

Unionville, TN, United States

Would like to find property ideally closer to Murfreesboro, Nashville or Franklin that has potential for single family development with good road frontage and public water utilities available. Looking to trade 33 acres located in northern Bedford county for developable land located close to a growing metropolitan area preferably in TN. Willing to trade for a smaller piece of land if the located and sizing is right. Approximately 24 acres are farmable for row crops. Property joins 2 well maintained county roads both of which have public water available. Easy access to Franklin, Murfreesboro, Shelbyville, and Nashville.
